

Voucher for E-Business Application for Clients (VEB)

Voucher for E-Business is a program managed by the Ontario Centres of Excellence (OCE) on behalf of the Government of Ontario, which connects main-street companies with expertise and resources at Ontario colleges, that can help business take advantage of online tools for driving market expansion. For more details about this [OCE program click here](#).

Canadore College staff, faculty & students will work with local companies, that have little to no web presence. The selected clients will need to commit approximately 25 hours of time to the project. Students designers will work with selected clients and will be responsible for solving the design challenges with input & guidance from college staff & faculty. A final, operational website will be the result of the process. View some of our past Website designs at canadoregraphics.com

Please read through the VEB Facts & Questions page, then email this application form to:
